The background of the slide is a colorful illustration of a school scene. On the left is a red school building with a bell tower. In the foreground, a yellow school bus is shown with children inside and one child pushing a red cart. Various other children are depicted walking and playing on the school grounds. The background features rolling hills with autumn trees and a purple sky with white clouds.

OPA Parent Survey Results

2009-2010

OPA Parent Survey

Originally 200 surveys were sent out to randomized parents from both OPA and MOPA, but the response rate was only 32 surveys or 16%. The survey was then sent out for all parents to participate in. The survey response for OPA was 92 surveys or approx. 35% of surveys sent out (260).

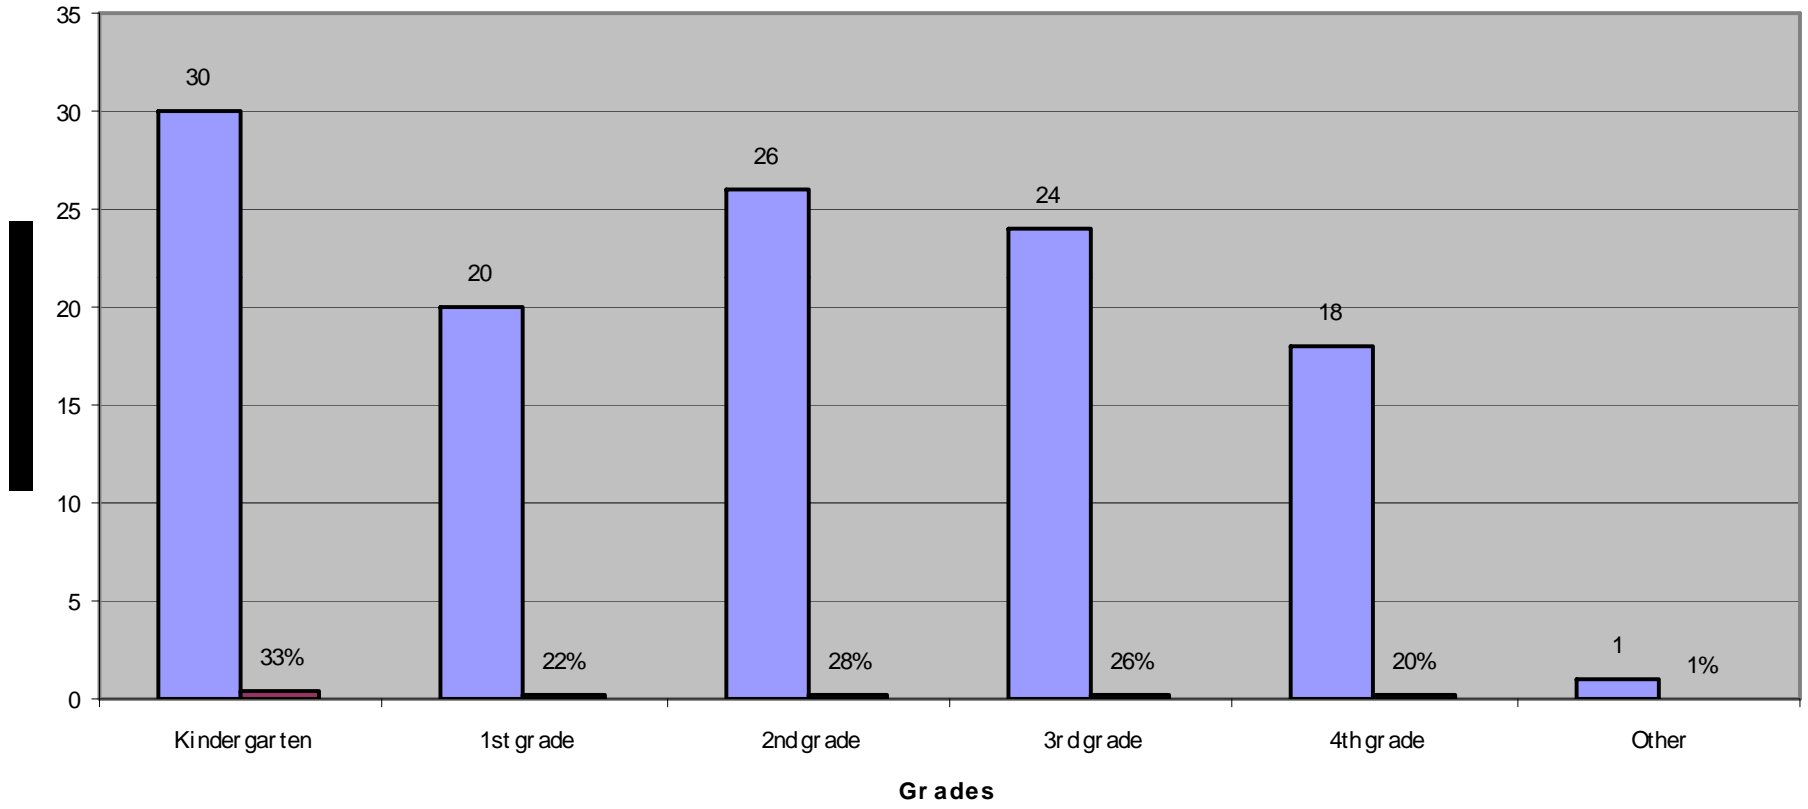

Note

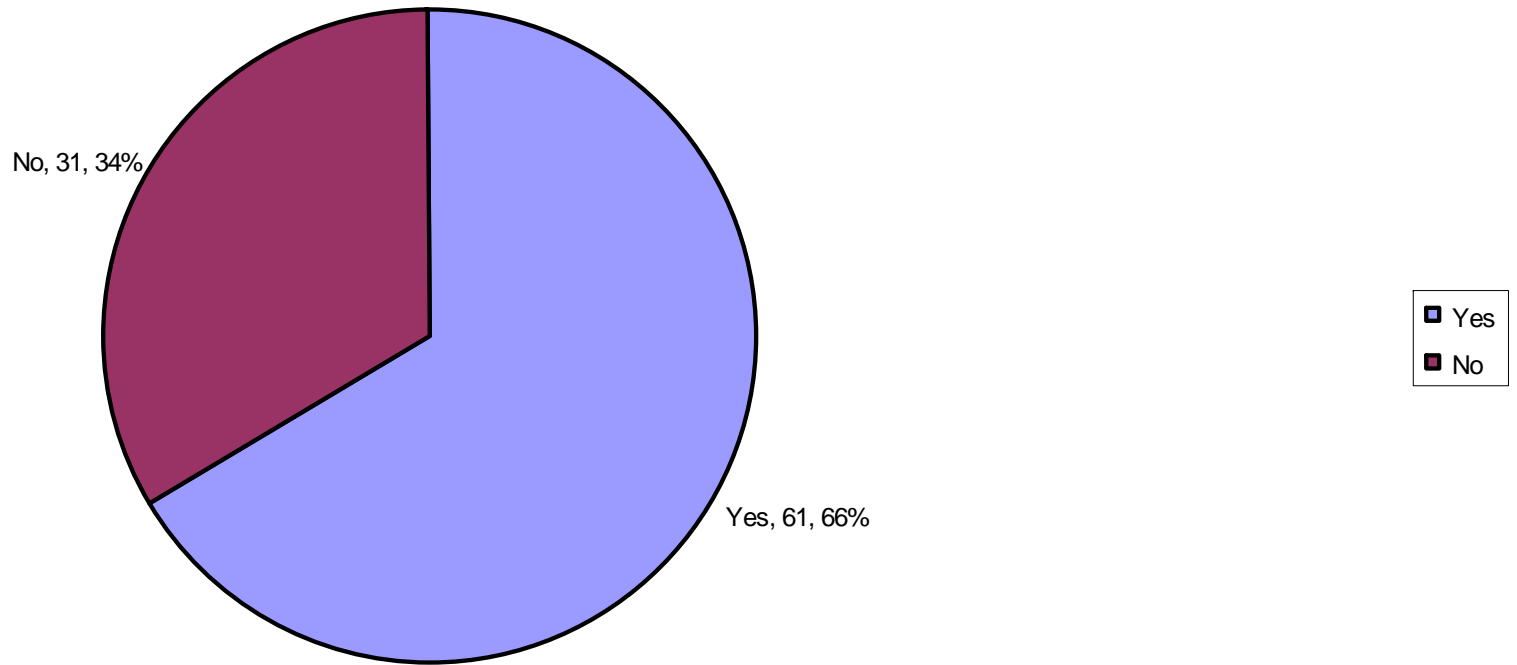

For those questions that have marked “other” as the answer the question was either left blank or the respondent wrote in their own response.
