

OGDEN PREPARATORY ACADEMY

Welcome Back to School!

Welcome back to school! As we start each school year, we are excited for everyone to return and need time to adjust to a new schedule.

Parking Lot Concerns:

We have had the city planner, and traffic director assess our parking lot and assign us another crossing guard. However, if parking lot systems are not followed, it will never be efficient and becomes dangerous.

So, lets review the parking lot procedures:

1. Students in grades K-4 must stay with their teacher until put in a car, checked out by a sibling or guardian, or the teacher has a written note stating the child will walk home.
 - a. If the child is walking, or being picked up off campus, they are to leave campus immediately to reduce congestion. Older siblings must pick up younger siblings, not vice versa.
 - b. It is best to set up meeting sites, off campus on public streets.
2. The Bishop's Storehouse is our community neighbor, it is a private business and their parking lot is **NOT** an access away from campus. It is also, **NOT** a parking lot for pick up. Also, students should be reminded that they are **NOT** to enter the storehouse asking for food, water, nor a restroom.
3. Traffic in the parking lot:
 - a. Follow the directions of the guides.
 - b. Do **NOT** park and get out of your car at any of the RED Curbs.
 - c. USE the CROSSWALKS, when there is a guide with a stop sign. Darting through traffic is dangerous.
4. During Drop-off and Pick-up, 15th street is a RIGHT TURN ONLY.

The best solution is to meet your students off campus in a designated meeting place to avoid the chaotic parking lot and avoid frustration.
