Foreign Exchange Student Enrollment

It is the policy of Ogden Preparatory Academy that foreign exchange students shall not be enrolled as students.

Guests

- A non-enrolled student may request to attend classes at the Academy as a guest of a regularly enrolled student.
- Requests should be made by the enrolled student and their guardian to the Principal in writing.
- The Principal shall review requests and accept guests for a limited time period.
- Requests shall only be accepted if the Principal determines the visit shall not interfere with the regular school program nor serve as a distraction to learning.
- Guests may not participate in State assessments, nor be present in classrooms participating in Standardized testing.
- Administration may revoke permission for a guest based on disruption and behavior.
