

Ogden Preparatory Academy G Suite Additional Services

By signing this document, you give permission for your student to use the following G (Google) Suite Additional Services in connection with classroom curriculum at Ogden Preparatory Academy. Student technology use is monitored in conjunction with all OPA Policies and Procedures.

If you do not wish your student to use these services, please contact a school secretary.

G Suite Additional Services used at OPA:

Service	Description
Google Classroom	A LMS (Learning Management System) where teachers can create, distribute, and grade assignments. This is an easy platform to share files and resources with students.
YouTube	Teachers occasionally use educational, YouTube based videos in conjunction with their classroom lesson plans. All use of videos in the classroom is curriculum based. Students are not allowed to access YouTube individually while on the OPA network.
Google Scholar	A simple way to broadly search for scholarly literature.
