

OGDEN PREPARATORY ACADEMY

October Employee of the Month

Lupe Rocha

I grew up in Ogden and graduated from Ogden High. I got married at 18 right after high school and took some college courses before raising my children. I have four daughters and eleven grandkids, their ages range from 1 - 18, with 6 girls and 5 boys. I enjoy spending time with my family and going camping. This is my third year here at OPA. My favorite school lunch is chicken haystacks. I don't look like I can sing, but I can. What inspires me is to help people and serve others. The quote I live by is to enjoy each day, tomorrow is not promised.
