It is the policy of Ogden Preparatory Academy that all prospective students provide any and all safe school records prior to attending. Once records are provided, they will be reviewed and the OPA Safe School Policy shall be applied regarding allowable enrollment, registration, and other relevant actions specified in the policy. Misrepresentations shall result in loss of school membership until the student re-enters the lottery process with full disclosure.

Students with active expulsions may not be accepted. Pending acceptance, students with safe school violations other than active expulsions will meet with a Principal. Depending on the violation history, a student may begin attendance at OPA under a discipline plan.

Safe School Violations include the following that may have led to suspension or expulsion:

- Fighting, gang activity, harassment
- Destruction or defacing of school property
- Behavior which poses a threat to the safety of others
- Possession , distribution, control, use, sale, or arranging the sale of alcohol, tobacco or tobacco related products, weapons, drugs or drug paraphernalia, illegal or controlled substances
- Criminal activity

If you have any questions, please contact an OPA Principal.

By signing this form, you are affirming that the student seeking enrollment at OPA has NO safe school violations to report. If there are violations to report, DO NOT sign this form. Please follow this link for the disclosure form: <https://ogdenprep.org/safe-school-violation-disclosure/>
