Registration Document Notice:

During the Registration process, Ogden Preparatory Academy (School) families will review a series of Policies, Procedures, and Templates that cover important information about the School's systems and expectations. Registrants will be presented with the most recent version of each Policy, Procedure, or Template at the time that they go through the registration process.

Policies, Procedures, and Templates are reviewed and revised at least once every three years, but often more frequently as local, state, and national laws change. When policies are revised or changed, the School shall make efforts to inform families through avenues such as electronic Principal Communications, website resources, and Family Engagement Nights. However, it is the responsibility of each family to review updated policies and follow them.

Families should be aware that the version of each document they agree to during the Registration Process may change prior to, during, or after their child's acceptance into and attendance at the School, and document acceptance at registration shall be extended to the updated version.

The most current version of all Ogden Preparatory Academy policies and procedures can be found on the school website, <https://www.ogdenprep.org>. Additionally, policies and procedures can be made available during regular school office hours.

By signing, I acknowledge that I understand that I have access to and have reviewed the Ogden Preparatory Academy policies, including the following:

- Student and Parent Handbook
- Discipline and Behavior Policy
- Bullying and Hazing Policy
- Fee Waiver Policy
- Dress Code Policy
- Safe School Policy

- Wellness Policy
- Student Acceptable Use of School Electronic Resources Policy

I understand that failure to comply with the provisions of the Ogden Preparatory Academy policies may limit student participation in some activities. I understand the expectations of the Dress Code Policy and agree to abide by those expectations.
