A MESSAGE FROM YOUR PRINCIPALS

Week of: 02/05/2024

## A note from the principals:

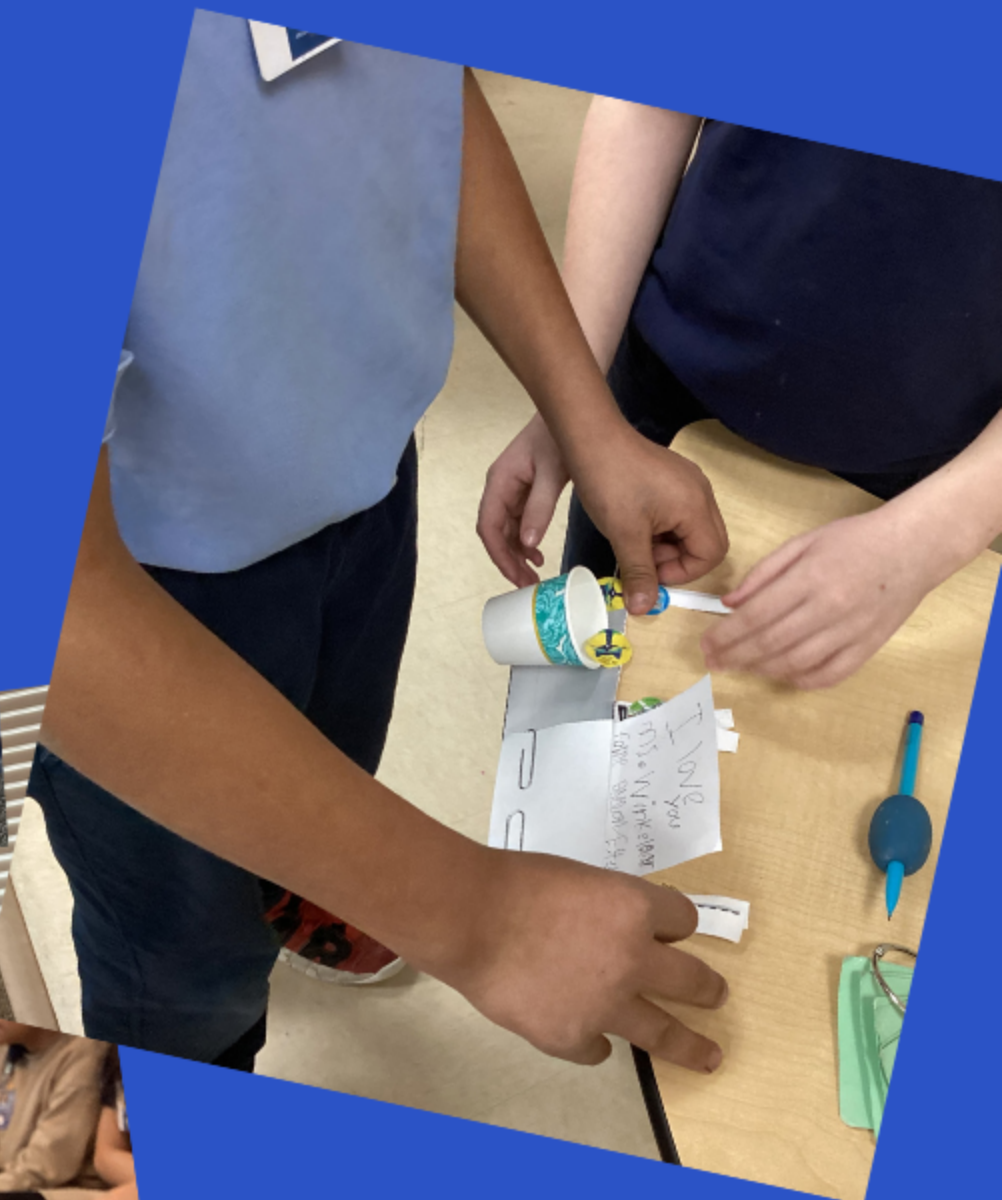

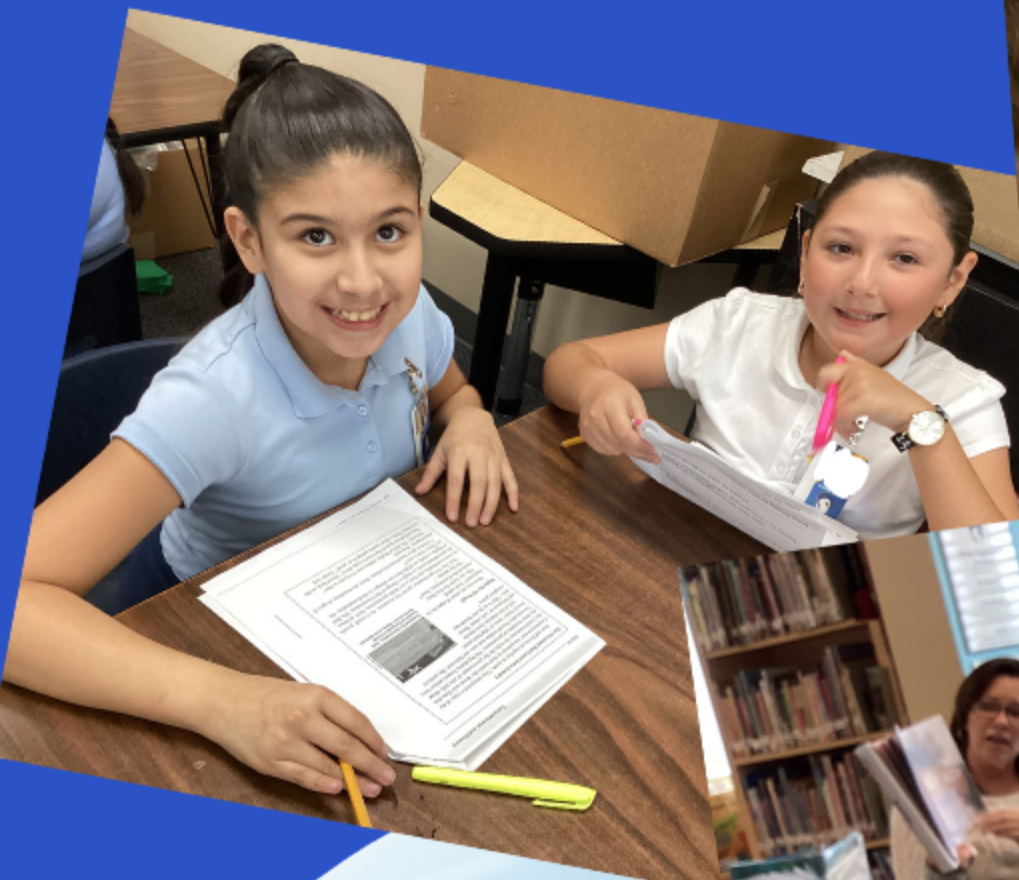

OPA Families,  
Next week is Family Conferences! We had great attendance at our last conference and hope to do it again. Those face to face meetings with your student's teachers helps enforce the importance of education to your student and family. Also, we love to share with you all your students have been doing. We're very proud of them and hope you are as well!
