

OPA After Hours

Elementary After School Program

OPA After Hours is the after school program provided for Pre K-6th grade students at Ogden Preparatory Academy. OPA After Hours provides academic tutoring and extracurricular activities. It is a great place to get an extra academic boost and have fun! OPA After Hours will meet daily at the Elementary gym.

Enrollment

Complete the enrollment application and return it to the Elementary office to be entered into the enrollment lottery. Enrollment is limited, so students will be selected by lottery as space allows. If your student is not selected, he or she will remain on the lottery waiting list and may be selected to join as space becomes available.

Families that qualify for child care assistance through the Department of Workforce Services can apply at <https://jobs.utah.gov/customereducation/services/childcare/index.html>. Contact Marie Torres for questions regarding assistance.
