El estado de Utah requiere 95% De asistencia, eso significa que tiene 9 ausencias o menos durante el año

End of level assessments have been completed (mostly) and things are wrapping up quickly. However, we still maintain the same expectations as always. We are prepared, safe, respectful, responsible, and nice. And we rise up and show up each morning!

We are so grateful to all of our OPA community members for making this school year such a great one. We have learned a lot of lessons, made a lot of lasting friendships, and have one more year of wisdom and experiences. We love you and wish you a great summer!

Las evaluaciones de fin de nivel ya se han completado (en su mayoría) y todo está terminando rápidamente. Sin embargo, mantenemos las mismas expectativas de siempre. Estamos preparados, seguros, respetuosos, responsables y amables. ¡Y nos levantamos y nos presentamos cada mañana!

Estamos muy agradecidos con todos los miembros de nuestra comunidad de OPA por hacer de este año escolar un año tan maravilloso. Hemos aprendido muchas lecciones, forjado muchas amistades duraderas y tenemos un año más de sabiduría y experiencias. ¡Los queremos y les deseamos un excelente verano!
